## We also have 2 Enomatic Machines...

Our Enomatic machines allows us to keep wines fresh for over three weeks.

This means we can put in some extra special tipples for you to try by the glass.

So rather than breaking the bank buying a bottle of posh you can enjoy several glasses of premium wines instead!

What's not to love?

Ask a member of staff to load a card with however much you wish to spend and then enjoy as many glasses as you can afford.

Just want one glass?

That's no problem, we are happy to charge you individually and serve you the glass.

Welcome to a whole new world of wine!
